

India Pavilion at World Congress of Accountants 5-8 Nov, 2018, Sydney Australia

Services Export Promotion Council with the support of Department of Commerce, Ministry of Commerce & Industry, Govt. of India is organising India Pavilion at World Congress of Accountants scheduled to be held from 5-8 November, 2018 at Sydney, Australia

The 20th World Congress of Accountants (WCOA) is a momentous event for the global accountancy profession. The international accounting conference represents a chance to engage with visionaries and leaders and to bring your own expertise to the world stage. It only occurs every four years and the next one will be in Sydney, Australia in November 2018.

The WCOA accounting conference brings together more than 6,000 delegates from over 130 countries to hear world-class speakers and leaders across the finance and business community.

WCOA offers the opportunity to engage and network with visionaries and leaders, and bring your expertise to the fore on a world stage.

Chartered Accountants Australia and New Zealand (CA ANZ) and CPA Australia are honoured to be co-hosting WCOA Sydney 2018. Even as technology makes global connectivity easier, there is something uniquely stimulating about coming together as a cohort to identify new challenges, share knowledge and set new strategic directions.

WCOA Mission & Themes

WCOA's mission is to bring together finance leaders, policy setters, accountants and business leaders in a world-class business event that embraces the future of the profession. There's much more than an accounting theme. At WCOA, recognise key milestones, and set a blue print for the future of accounting.

Why Attend

World Congress of Accountants 2018 is the number one accounting conference globally for accounting and finance professionals. It brings together more than 6000 motivated professionals and the world's leading experts to network, brainstorm and build a road map for the next four years.

Exhibit at WCOA

With more than 6,000 delegates from over 130 countries, the World Congress of Accountants (WCOA) is an opportunity to get your story and your brand in front of business and finance leaders from around the globe.

The exhibition at the WCOA accounting conference is the place to discover new and innovative ideas, techniques and tools, and network with peers and decision makers from around the globe.

With a view to build synergy and present a grand exposition of the strengths of the Accounting & Auditing services available in India , your active participation in the event is solicited in a befitting manner. This will help Indian Accountancy/Auditing services providers in reaching out to the world market which will contribute to trade promotion of the Country and investments in India.
