

20th September 2024

Dear Sir/Madam,

One-day Conclave on
“Global Services Export of Design, Engineering, Construction, R&D and Environmental
Services: Infrastructure, Space, Energy (incl. Nuclear) and Defence
Venue: Hall Sovereign – 1, Hotel Le Méridien, Janpath, New Delhi
Date: 29th October 2024: Time: 10 AM to 8 PM
(Registration from 9 AM to 10 AM)

Greetings from SEPC!!

As you know, the services sector is one of the fastest-growing parts of the Indian economy. To promote services exports, the Ministry of Commerce & Industry, Government of India, has established the Services Export Promotion Council (SEPC) and supporting India’s services sectors through four key activities: Trade Intelligence, Export Development, Export Promotion/Investment, and Creating a Favorable Business Environment.

We are pleased to inform you that SEPC in association with Consulting Engineers Association of India (CEAI) is organizing a one-day Conclave on **“Global Services Export of Design, Engineering, Construction, R&D and Environmental Services: Infrastructure, Space, Energy (incl. Nuclear) and Defence”** for Indian companies and Indian subsidiaries of foreign companies across the Engineering, Construction & Environment services sectors.

The significance of this conclave is to enhance engineering export services to diverse countries. To do so, it is critical to inform them about the opportunities available, to grasp their challenges, and to comprehend the assistance required from Ministries to go global. In light of the above, experts from different domains viz. The Ministry of Commerce, International banks, Industry, Indian Embassies located in different regions, etc. will deliver following during subsequent sessions over **Infrastructure, Space, Energy (incl. Nuclear) and Defence:**

- Target Markets, Sectors & Services
- Current Opportunities and Future outlook
- Business Development efforts required
- Expected Government Support in expanding the footprint of Indian Players
- Emerging Global Business Opportunities for Indian companies in consultancy services funded by Multilateral funding Agencies (for Overseas Opportunities)
- India’s differentiated offering for Global markets
- Experiences, Issues / Challenges, Risks & Mitigation and Doing Business in Global Environment

We are inviting Shri Rajnath Singh, Hon'ble Minister of Defence, Government of India, Shri Nitin Gadkari, Minister of Road Transport & Highways Government of India, Dr. S Jaishankar, Hon'ble Minister of External Affairs, Government of India, Shri Piyush Goyal, Minister of Commerce & Industry, Government of India, Shri Hardeep Singh Puri, Hon'ble Minister of Petroleum and Natural Gas, Government of India. By bringing together Honorable Ministers, along with key industry players, government officials and subject matter experts. The conclave aims to identify potential growth areas, address challenges, and strategize methods for leveraging India's capabilities. The main goal would be to create an action plan to help Indian companies grow their export of services in different geographical regions across the globe.

We cordially invite you to participate as a delegate and be part of the deliberations. Tentative programme is duly attached for your ready reference.

The registration link is given below and the last of registration is 25th October 2024.

SEPC is going to bestow awards for engineering, environment, and construction service industry exports and further details pertaining to the same will be shared in due course of time.

We look forward to your active participation in the third edition of this most promising conclave.

With kind regards,

Karan Rathore

Chairman, SEPC
