**Invitation to Participation in “National Conclave on Environmental Services (NCES)
and Environmental Musketeers Awards 2025”
Friday, 13th June 2025 9:30AM to 5:00 PM
at New Delhi**

Dear Sir/Madam,

In the face of global challenges such as climate change, corporate accountability and global financial instability, the importance of Environmental Services has grown significantly. Companies worldwide are increasingly recognizing the need to integrate ESG principles into their business model to ensure long-term sustainability and resilience.

Keeping the same in mind, we are excited to announce that We are organizing “**National Conclave on Environmental Services**”.

The conclave will feature a mix of keynote presentations, panel discussions and networking sessions. Participants will have the opportunity to engage with industry experts, share their experiences, and explore potential collaborations. **Special Secretary, Ministry of Environment** has already agreed to grace the occasion.

The session will focus on following topics –

- Strategies to upscale the export of environmental services with the support of SEPC. Opportunities in trading carbon credits, renewable energy certificates (RECs), and other environmental commodities. Trading mechanisms and market frameworks. Significance of skilling and training programs of SEPC.
- Leveraging high-potential exportable services such as environmental consultancy, ESG compliance, CBAM compliance. Exploring international demand and positioning India as a global provider of sustainable solutions.
- Fostering collaboration between Government, Industry, and Academia to accelerate ESG adoption. Identifying policy enablers and support mechanisms to drive innovation and compliance.
- Enhancing the green supply chain of businesses. Encouraging sustainable procurement and resource management practices. Role of skilling, training, and capacity building in creating resilient green supply chains.

The **highlights** of the program are as follows:

- Opportunities for partnerships and collaborations among stakeholders.
- Identification of actionable strategies for integrating ESG principles in business.
- Enhanced commitment to sustainability and corporate responsibility.
- Generation of key points to be presented to the policy makers of the country.
- Increased awareness and understanding of ESG principles and practices.
- Plantation drive after the conclave.

The primary objectives of the conclave are to identify potential growth areas, address challenges, and strategize methods for leveraging India's capabilities. To deliberate on the topics, we are inviting experts, distinguished speakers, and policy makers. By bringing together Honorable Ministers, key industry players and subject matter experts, this event aims to be a platform for the exchange of ideas and the development of cooperation strategies in this sector, consolidating India's role as a strategic partner in this economic sphere.

This event presents a unique opportunity to explore the evolving landscape of ESG, share insights, and collaborate on strategies to drive sustainable growth within our organization and beyond.

We take this opportunity to kindly **invite you to be the part of this premier event**. We request you to register and secure your participation at the earliest on the link as given below:
