Dear Members,

International Arbitration: An Indian Perspective
Saturday, 14th May 2022
10.00 am to 4.00 pm
Venue: Plenary Hall, Vigyan Bhawan, New Delhi, 110021

Services Export Promotion Council is organizing a major conference on “**International Arbitration: An Indian Perspective**” on 14th May 2022 in New Delhi. The proposed theme of the conference has always been a matter of interest to policy makers as well as legal luminaries. Moreover, international arbitration has become necessary for the growth of a nation as it brings more acceptability to the world at large.

Hence, this important conference will showcase the journey of India in international arbitration from past, present to future where Indian Government is positioning India to become a hub of global arbitration proceedings.

The event will try to depict and showcase several connecting issues of International Arbitration relating to India on the global front. This event will help in strengthening the proactive growth of legal service sector in handling, managing and implementing international arbitration process/awards.

To achieve its objective, the conference aims to bring together the legal Industry experts and leaders, Senior Govt Officials from respective Ministries, Chief Justice of India, Justice(s) from Honorable Supreme Court of India and High court of Delhi, prominent lawyers from the country, students and everyone keenly interested in international law and arbitration and our ambassadors in different regions of the world and other stake holders.

SEPC looks forward to your cooperation and support and requests you to kindly participate as a distinguished delegate/participant in the prestigious event.

This event will offer a unique opportunity to the participants to understand and develop their skills in international arbitration and to perceive the realistic picture of the practice of international arbitration. We shall share the programme schedule with you in a few days.

Considering the exclusivity of the program, we will close the Registrations by on 10th May 2022 depending on limitations of in-person participation. In case you and your colleagues have not registered, we request you to please register TODAY at the below given delegate registration link: <https://forms.gle/sbqzqUJUX9Fa5uYd9>

Exclusive sponsorship opportunities are also on offer on this prestigious platform. Please contact Mr. Mayank Sharma for the same at mayank.sharma@servicesepec.org

We look forward to welcoming you to this Conference.

With kind regards,

CA Sunil H. Talati
