**Sub: Benefits for SEPC members under EPCG Scheme & upcoming Export Promotion Mission (EPM) Scheme – Request for SEPC Membership Renewal**

Dear Sir/Madam,

Greetings from the Services Export Promotion Council (SEPC)!

SEPC, under the Ministry of Commerce & Industry, Government of India, plays a vital role in supporting and promoting India's services exporters by providing access to key government schemes, export facilitation measures, international trade events, market intelligence, and policy support. Membership with SEPC enables service providers to directly benefit from the Council's initiatives aimed at enhancing their global competitiveness and strengthening India's services export ecosystem.

We would like to draw your attention to one of the most significant benefits available to SEPC members—the Export Promotion Capital Goods (EPCG) Scheme of the Department of Commerce. This scheme enables service providers to import essential capital goods at zero customs duty, with additional exemptions from IGST and Compensation Cess for capital goods procured for physical export activities. The scheme covers a wide range of capital goods including machinery, equipment, systems, software, spares, moulds, dies, jigs, fixtures, tools, catalysts, and more, helping service exporters upgrade technology, improve service delivery, and expand operational capacity at reduced cost. The EPCG Scheme carries an export obligation equivalent to six times the duty saved, to be fulfilled over six years, providing a structured incentive for global market expansion.

In view of these significant advantages, we request all existing SEPC members to continue their valued association with the Council in the coming years to keep availing such important benefits. We also urge non-member or non-active companies—who have not yet renewed their SEPC membership—to kindly renew their membership on an urgent basis. Renewed membership will ensure access to current benefits like the EPCG Scheme and eligibility for upcoming major initiatives such as the Export Promotion Mission (EPM) Scheme and other future Government of India support programmes routed through SEPC.
