

3 August 2023

Dear Sir/Madam,

**6<sup>th</sup> Global Exhibition on Services (GES)  
14-16<sup>th</sup> November 2023  
India Expo Centre and Mart, Greater Noida, NCR**

We are delighted to announce that SEPC is organizing the 6<sup>th</sup> edition Global Exhibition on Services (GES).

GES, conceptualized by Ministry of Commerce and Industry, Govt of India aims to create business opportunities for India's services across the globe and position India as reliable partner in offering its wide-ranging services to the world.

6<sup>th</sup> Edition of GES is being organized as one of the key events aligned with India's G20 Presidency. **The event is expected to be inaugurated by our Hon'ble Prime Minister.** This edition comes at a very significant time where the services sector exports has reached 325BN USD despite headwinds in some sub sectors.

GES-2023 will be an opportunity to showcase to the world India's entire range of services including new and emerging tech services area. GES 2023 will be covering all the Champion Services Sector, Digital India Emerging Tech, Smart Infrastructure, Consumer Technology Services and many more.

GES-2023 has following highlights:

**A. Exhibition**
