Dear Sir/Madam,

Greetings from the Services Export Promotion Council (SEPC)!

As directed by the Department of Commerce, Government of India, SEPC is preparing a comprehensive database of member businesses across services sectors. This database will be used to facilitate participation in international exhibitions, trade fairs, buyer-seller meets, and other focused market development initiatives and global business delegations.

In this regard, please urgently submit the required details using this [Google Form](#). This will enable us to compile and forward the information to the Department of Commerce for necessary action.

Your timely cooperation will greatly support our efforts to strengthen international business opportunities for our members.

We look forward to your prompt response.

Warm regards,  
Services Export Promotion Council (SEPC)
