Gentle Reminder:

Submission for Legal Sector Vision Document - SEPC seeking Industry's views to make valid submissions to the Government

Dear Sir/Madam,

Greetings from SEPC!

This is a gentle reminder regarding our email sent on 4th July 2024, concerning your valuable inputs for the Vision Document on the legal sector, which SEPC is preparing in collaboration with KPMG.

As outlined in the original email, the report aims to highlight India's global positioning in the legal services sector, adopt international best practices from competing countries, address challenges within the sector in India, and propose key policy recommendations, financial support, and an institutional framework.

To ensure a fair representation of the industry's voice, we kindly request you to share a one-pager note covering the questions enumerated in the attached questionnaire. Please send your inputs to Ms. Saumya Gupta (Deputy Director, Policy & Research) at saumya.gupta@servicesepec.org at your earliest convenience.

Your prompt response will be highly appreciated.

Thank you for your cooperation.

With Best Regards,
Team SEPC
