Dear Sir/Madam,

Subject: Block your date for one day Conclave on “Global Services Export Conclave on Engineering and Environmental Services: Sustainable Energy, Transportation, and Infrastructure”

Friday, 15th September 2023, 9.00 am to 5.00 pm
Venue: Hotel Le Meridien, New Delhi

Greetings from SEPC!!

As you are aware, the services sector is one of the fastest growing sectors of the Indian economy whereas a nodal organisation for services export promotion, Services Export Promotion Council (SEPC) as an apex body has been set up by the Ministry of Commerce & Industry, Government of India. We serve India's services sectors through four major activities; Trade Intelligence, Export Development, Export Promotion/Investment and Enabling Business Environment.

We are pleased to inform you that SEPC in association with **Consulting Engineers Association of India (CEAI)** is organizing one day Conclave on “**Global Services Export Conclave on Engineering and Environmental Services: Sustainable Energy, Transportation, and Infrastructure**” for Indian companies and Indian subsidiaries of foreign companies across the Engineering, Construction & Environment services sectors.

We are inviting **Shri Nitin Gadkari, Minister of Road Transport & Highways, Shri Piyush Goyal, Minister of Commerce & Industry and Shri Ashwini Vaishnav, Minister of Railway**. By bringing together Honourable Ministers, key industry players, government officials and subject matter experts, the conclave aims to identify potential growth areas, address challenges, and strategize methods for leveraging India's capabilities. **The main goal would be to create an action plan to ease to help Indian companies grow their export of services.**

The significance of this conclave is to enhance engineering export services to diverse countries. To do so, it is critical to inform them about the opportunities available, to grasp their challenges, and to comprehend the assistance required from Ministries to go global. In light of this, the following sessions have been curated:

- **Consulting Opportunities for Indian Companies**
- **Emerging Business Opportunities in Consultancy Services funded by Multilateral Funding Agencies**
- **India's Differentiated Offering for Global Markets: Sustainable Energy, Transportation & Infrastructure**
- **Experiences, Issues and Challenges in doing business in global environment (Sustainable Transportation)**
- **Emerging Global Opportunities in Sustainability & Energy Transition with specific reference to India's role in shaping the journey**

This event will offer a unique opportunity to the participants to realise the potential in international markets for their respective services and strategies to tap the same. Tentative programme is duly attached for your ready reference. Considering the exclusivity of the program, we will close the registrations by 11th September 2023.

In case you and your colleagues have not registered, we request you to please register TODAY at the below given delegate registration link: <https://forms.gle/dhphH5PuE9Gt7wPn9>

Exclusive sponsorship opportunities are also on offer on this prestigious platform which is attached for your kind perusal. We look forward to your active participation in this one of the most awaited conclaves.

With kind regards,

Dr. Abhay Sinha
