

Date: 26th July, 2024

**Dear Members,**

**Subject: Request for Industry Insights on Budget 2024**

On behalf of SEPC I would like to extend my heartiest congratulation to Finance Minister, Mrs. Nirmala Sitharaman for successfully presenting her 7th consecutive budget under the visionary leadership of our Hon'ble Prime Minister Modi. The entire budget meticulously outlines the roadmap for Viksit Bharat. To help the industry better understand the contours of this budget, SEPC organized post-budget analysis on 25<sup>th</sup> July, which was well appreciated by the industry. We were pleased to have panelists from Nexdigm for this session.

Going forward, as a part of SEPC's unwavering commitment to supporting and fostering the growth of our economy, we are pleased to announce that we will continue to host informative sessions, similar to our recent budget analysis. These sessions are designed to provide industry stakeholders with comprehensive insights into various government initiatives, policies, and developments that impact various services sectors. Therefore, would I urge for enthusiastic participation from the industry.

Your sector specific inputs on the Budget 2024 would be highly appreciated. These insights will be presented to the government for further consideration and intervention.

We value your participation and input and believe that by working together, we can elevate the progress of services sectors to new heights.

We look forward to your active involvement in our upcoming sessions.

With best regards,

Karan Rathore

Chairman
