Subject: Exclusive Opportunity: Secure Your Stall at the FICCI Pavilion for Saudi Film Confex 2024 in Riyadh

We are excited to announce that FICCI is partnering with Saudi Film Confex 2024, a landmark event in the global film industry, taking place from 9th - 12th October 2024, in Riyadh, Saudi Arabia and is offering a unique opportunity for your organization to secure a stall at the FICCI pavilion and be part of this prestigious event.

The Saudi Film Confex 2024 will bring together leading filmmakers, production houses, studios, distributors, and film associations from across the world. It presents an unparalleled platform to engage with industry leaders, explore collaboration opportunities, and connect with potential partners and customers.

By securing a stall at the Saudi Film Confex 2024 through FICCI, you will have the advantage of ensuring maximum visibility and footfall through a stall located within the FICCI Pavilion (A 68), along with networking opportunities, brand exposure and business development.

We are offering limited space, and we encourage you to confirm your participation at the earliest to secure your spot. Please let us know your interest, and we would be delighted to provide you with more details and any customization options you may require. We will secure you a registration pass for the event and a table space within the FICCI secured booth. We kindly wish to inform you that travel and accommodation arrangements will need to be made by the delegates themselves.

Should you have any questions or need further information, feel free to reach out to my colleague Ms. Garima Singh, Sr. Assistant Director, garima.singh@ficci.com directly. We look forward to your positive response and the opportunity to collaborate with you.

With regards,
Team SEPC
